PERFORMING ARTISTS

Ross Childs - Ross Childs has been improvising, singing, and performing in and around the country for the better part of the last decade. He moved to Chicago from Houston, TX in the summer of 2013. Since then, he has studied at iO, The Annoyance, and The Second City. He has been playing comedy music for the better part of a decade, releasing his debut album “Kazooology” in 2018. He has also built a significant following on TikTok as @crabman732.

Steve Goodie - Steve Goodie is a comedian, singer, songwriter, and record producer from Nashville Tennessee who has the distinct honor of having penned Nina Yankovic’s favorite parody, “Dumbledore,” a parody of her father’s original song “Hardware Store.” Steve has had numerous hit songs on the Dr. Demento Show and performed his Weird Al and Daniel Radcliffe tribute at the Edinburgh Fringe Festival.

GUEST OF HONOR: THE CONSORTIUM OF GENIUS

The Consortium of Genius are a group of mad scientists rock musicians with a plan to take over the entire universe, starting with the northern Ohio area and FuMPFest. Better known as The COG (“COG!”) they They combine super-sci-

ence, super-villainy, and comedy to rock audiences into brain-drained submission. Formed in 1993 by lead vocalist Dr. Milo T. Pinkerton III, the line up currently consists of Dr. Z on bass, Dr. Winchester on keyboards, Prof. Glitch on guitar, and Drumbot on drums. This will no doubt be one of the most important science lectures of your life. Come, and be prepared to bow to the COG! (“COG!”)

PERFORMING ARTISTS

2d6 - Cliff B and DJ Stuck Down A Mineshaft make up 2d6, a local nerdcore hip-hop duo who rap about video games, tabletop roleplaying, Avogadro's number, conventioneering, Boba Fett, the future, the past, bleeps, bloops, and all things nerdy. Their latest album *Live at Casa Buhdog-skull* came out earlier and contains such bangers as "Metal Mario's Diarrhea (Burger Blasted)" and "The Doctor Said The Hair On My Balls Is Terminal."

Carla Ulbrich - Carla Ulbrich is a comical singer-songwriter and guitarist whose biggest musical influences were (and still are) Sesame Street, camp songs, and cat food commercials. She has a love of the absurdities of ordinary life, a somewhat twisted viewpoint, and a way with words. Carla's 10 indie CDs have been featured on the BBC, Dr. Demento, Sirius XM Radio, Pandora, and NPR's Morning Edition. She also appeared in "Sharknado 2" (as a human).

Holy Bongwater - Holy Bongwater is a song parody duo consisting of Jace McLain and Julia Larson (both also from the band Nuclear Bubble Wrap). This creative outlet serves as a place for Julia and Jace to let out their song parody prowess and to satirize pop culture, as well as the overall state of humanity. Their song "Nurples" was a Dr. Demento hit in 2023 and has been nominated for a Logan Award.

Pastor Hastur - As an avatar of the Unspeakable One himself, Pastor Hastur is on a mission to spread the wonders of the Yellow Sign and all things Lovecraftian by means of unutterable music lofting on the strange winds from Lost Carcosa. Ever wonder what would have happened if your favorite classic rock musicians had gazed into the abysmal darkness of the Necronomicon and became enthralled by the Eldritch Horrors within? Now's your chance to find out.
